⇒ can't make it? ⇒ 😞

Do neither of those dates work for you? No worries! You can still [sign up](#) and watch at your own convenience – and don't worry, **it's still free!**

learn with us:

- How to make a one-of-a-kind infinity scarf on your sewing machine in less than an hour using Sulky Water Soluble Stabilizers
- How to choose the right yarns and threads that work well together
- Other ways to use these techniques to create beautiful things!

goodies for you:

- Downloadable step-by-step instructions for the scarf
- Each step has pictures (For all of us visual learners)!
- PLUS: A bonus discount for our upcoming *Sulky Sensational Scarves* – Certified Teacher Continuing Education Online Course
- PLUS: A bonus Free Project for another scarf
- Great trunk show from our upcoming *Sulky Sensational Scarves* Online Course
- A chance to win the *Sulky Sensational Scarves* Online Course (a \$199 value!)
- If you watch on one of our LIVE dates, you'll receive an exclusive web-special offer!

free Webinar  join us

We hope you will join us! Remember, if you can't make our live dates, you can still [sign up to watch at your convenience](#), plus learn all the great techniques, receive the downloadable instructions, and more!
